I agree to be bound by the rules of the AMCA and the organising Club, and I am riding at this meeting at my own risk and will not seek to claim against The Club, Its Officials, The land Owner or any other competitor in the event of an on track accident how so ever caused. I can confirm that I am in good health and am confident in my ability to compete in this meeting. I will walk the track on arrival and once satisfied I will then sign on the official signing on sheets
